Re: LABTICIAN OPHTHALMICS, INC. ANNOUNCES CHANGE OF OWNERSHIP

Oakville, Ontario—Labtician Ophthalmics, Inc. is pleased to announce a change of ownership from Mr. David and Mrs. Marlene Sculati to Mr. Polydor Strouthos and Mr. Cleon Strouthos.

The Sculati's have owned and managed Labtician Ophthalmics since 1987. After 20 successful years at the helm, they decided that it was time to step down and pursue other interests.

Polydor and Cleon Strouthos have collectively over 40 years of experience in the pharmaceutical and medical device arena. Their goal is to build upon the strong reputation of Quality that has become synonymous with the Labtician name.

Labtician Ophthalmics, Inc. is a world leader in the manufacturing and distribution of Retinal Implants, Retinal Gases, Silicone Oils, Head Positioning devices and Lid Loads. Its reach expands to over 100 countries in 5 continents. In addition to its manufactured goods, Labtician exclusively represents several other internationally renowned companies in the Canadian market, namely, Becton Dickenson Ophthalmics, BioTissue, Dutch Ophthalmics, Geuder, and New World Medical. Its head office is in Oakville, Ontario, Canada. For more information regarding Labtician, please contact either Polydor or Cleon Strouthos at (905) 829-0055 or via e-mail at info@labtician.com

Kindest regards,
