

Patient Check in (Phone call)

Hello, this is (name) calling from (clinic name) on behalf of Dr (name). Hope you're doing well?

I just wanted to do a check-in with you after a month of taking the PRN Omega 3s and see how you are doing.

- How are things going?
- Have you been taking the PRN Omega 3s?
- Any issues in terms of being able to take them?
- Are there any questions for me moving forward about using the PRN Omega 3s until we meet each other again in 2 months?

Remember Dr (name) recommended these products because they have been shown to greatly improve your Dry Eye but that can only happen if you take them.

Thank you for your time and we look forward to seeing your improvement in 2 months

- Have you booked your appointment?
- If not would you like me to do that now?

Thank you again and see you in a couple of months
